END OF SALE

BIDDING TERMS/CONDITIONS

1. Bidder Registration
All Bidders must register and receive a bidder number at each Superior Energy Auctioneers' auction. Anyone bidding on behalf of a third party **MUST** register and will be held responsible and liable for all purchases. No bids should be placed on any item you own or on behalf of any owner. Only the highest bidder will be able to purchase any item placed for auction by the Auctioneer. Superior Energy Auctioneers has the right to deny anyone a bidder number and may also retract bidding privileges for any reason at any time. Any information about a Buyer is confidential.

2. Payment Terms
All purchases are to be **"PAID IN FULL"** in negotiable U.S. Funds within (2) business days from the end of the final sale day. Company or Personal Checks, Cashier's Checks or Wire Transfers are the only acceptable forms of payment. Bank wires and company or personal checks will be accompanied by a **"BANK LETTER OF GUARANTEE"** guaranteeing payment. The Buyer waives the right to stop payment on any check or wire transfer given as payment. No cash, drafts, credit cards or ACH payments will be accepted. The Buyer may receive their equipment purchases upon completion of payment (check-out information can be found on the inside cover of the auction catalog). The Auctioneer reserves the right to hold ALL equipment until ALL funds have cleared the Auctioneer's Bank and to hold ALL equipment on any partial payment. A late fee may be assessed if payment is not received in full within (5) business days of receipt of your invoice.

3. Sales Tax
Sales Tax will be charged on all purchases, unless the Buyer provides the proper exemption documents required by the local Government Tax Agency where the assets are located. Buyer agrees to pay all applicable sales tax on all purchases, unless they meet the requirements mentioned above. Buyer also agrees to pay any sales tax that may be assessed after initial payment has been received. International Buyers **must pay the sales tax as shown on your invoice.** Proper documentation must be provided in a timely manner to assist in obtaining any sales tax refund.
See Bill of Lading Requirements on our website

4. Administrative Fees
A 3% Administrative Fee will be charged on all purchases made at the official sale site location. There will be an additional 3% (total 6%) fee for Internet purchases
See Auction Brochure or website for details

5. Warranties or Guarantees
ALL items are sold **"AS IS, WHERE IS, WITH ALL FAULTS"** without a warranty or guarantee of any kind, whether written, expressed or implied as to merchantability or fitness for a particular purpose. Any reference to year, make, model, serial number, condition or performance, lot numbering, and digital slides are provided as accurately as possible from sources believed to be reliable. The Buyer is wholly responsible to inspect items and accepts upon placement of a bid any item in its current condition with any and all faults or defects known or not known. Neither Superior Energy Auctioneers or the Seller shall be held liable for any defects or inaccuracies. Buyer specifically releases Auctioneers of any liability arising from the lack of merchantability or fitness of use or condition of any item purchased upon bid registration. All announcements on sale day take precedence over all printed material. Bidding on any item confirms that you have inspected the equipment and you know what you are bidding on.

6. Indemnification & Hold Harmless/Injury & Damages
The auction site shall include any yard or location at which any lot is located as well as the location where the auction bidding is conducted. The Bidder and anyone associated with the Bidder agree to enter any site at their own risk. Bidders, Bidders party, Agents, employees or representatives agree to Hold Harmless and Indemnify Superior Energy Auctioneers, its employees, its agents, its representatives, its sellers and its site owners for any injury, damages or loss of life which may occur on an auction site or arising from an auction. The Buyer also agrees to the same terms for load-out and check-out on all auction sites, and if requested, buyer will provide applicable Certificate of Insurance prior to load-out.

7. Contested or Tie Bids
In the event two (2) or more Bidders claim the same lot after the Auctioneer has declared an item sold, the Auctioneer may re-open the sale of said item and allow bidding to continue between those Bidders until a high bidder is determined. The re-opening of any bid will be at the sole discretion of the Auctioneer, who may also decide not to re-open a bid if he feels a bid was late and the item was clearly sold. The Auctioneer may also refuse any bid he considers a mere fractional advance. The Auctioneer reserves the right to group, withdraw, create or break-apart any lot.

8. Resale of Merchandise/Abandoned Merchandise
The Auctioneer reserves the right to reclaim any or all merchandise for any unpaid purchases in part or in full. In the event a Buyer chooses to resell a lot, they must make up any shortages from the initial sales price as well as pay any expenses, including but not limited to attorney fees, that result from equipment having to be resold. The resale of any merchandise is at the lone discretion of the Auctioneer. **Any lots or equipment not picked up by any Buyer or left beyond the stated check-out period will be considered abandoned property and may be resold or otherwise disposed of by Auctioneer. Buyer specifically releases Auctioneer of any claim or liability arising from any equipment purchased and abandoned including without limitation, any claim for a refund or return of monies used to purchase abandoned equipment.**

9. Titles/Bills of Sale
Following collection of all money owed, Superior Energy Auctioneers will mail by USPS Certified Mail all titles and bills of sale to the Buyer within a reasonable time period following the auction.

10. Charges for Late Pickup of Lots
All purchases **MUST BE** removed during posted check-out period. Any lots or partial lots that are not claimed by the end of the check-out period will be considered abandoned and may be re-claimed and sold for storage costs at Superior's discretion. The Auction Company, Seller or yard Owner are not at fault for any injury, damage or loss during or after the check-out period. **Late pickup may result in a $25.00 per lot per day charge. A storage lien will incept on the first day after the expiration of the posted check-out period without notice.**

11. Load-Out/Transportation Disclaimer
Neither Superior or the Seller(s) are involved in any part of Load-Out or Transport. The responsibility of any load-out or transport arrangements and charges are the sole responsibility of the Buyer. Neither Superior or the Seller(s) should be considered the Shipper, Consignor or Consignee. Certificate of Insurance may be required prior to load-out.

12. Agreement
This Agreement is between the Bidder and the "Auctioneer" (Superior Energy Auctioneers) and shall be governed by and interpreted by the laws of the State of Texas. Venue for any dispute arising between Auctioneer and any Buyer, Bidder, Shipper, Consignor or Consignee or agent representing the same will be limited to Comal County, Texas and may be referred to Arbitration by either party prior to the filing of any suit or subsequent thereto. By registering for this auction, the Bidder understands and agrees to abide by all Terms and Conditions as stated herein.
